PEDIATRICS AND NEONATOLOGY**

**THEME: Strategies To Explore Multifarious
Aspects Of Pediatrics & Neonatology Research**

<https://conferencemind.com/webinar/pediatricsandneonatology>

Invitation

We would like to announce our upcoming 2nd International Webinar on "Pediatrics And Neonatology" during July 04-05,2022, Conference Mind cordially welcomes all researchers, academicians, students, and business professionals in the field of Pediatric & Neonatology professionals from around the world to participate in the upcoming Webinar. The meeting for this year will revolve around the theme "The Future Of Pediatrics & Neonatology Research". It will also prove to be a brilliant open door for the representatives from Universities and Institutes to cooperate with world-class researchers and an outstanding opportunity for businesses keen on expanding their global market reach. Interested individuals can confirm their participation by registering for the conference along with their colleagues. "Global Pediatrics 2022" Conference includes Keynote talks, Plenary talks, Symposiums, Workshops, Poster Presentation and Panel discussion on the advanced research developments in the field of Pediatrics and Neonatology.

Regards
