MAY 05, 2022
ORAL SESSION

10:00 - 10:30 AM

Title: Utilizing Standards for AM Design

ALEX LIU

Head of Additive Manufacturing Programs, Asia Region - ASTM International, Singapore

10:30 - 11:00 AM

Title: Direct Additive Manufacturing of Ceramic Components by Ultraviolet Laser Lithography

SOSHU KIRIHARA

Osaka University, Japan

11:00 - 11:30 AM

Title: 3D in Forensics - The emerging new technology to fight crime

LEKA SRI C

M.sc Forensic Science and Criminology, Annai Fathima College of Arts and Sciences, India

11:30 - 12:00 PM

Title: Utilizing Standards for AM Design

MUHAMMAD IMRAN ASGHAR

Aalto University, Finland

KEYNOTE SESSION

12:00 - 12:30 PM

Title: Crystallographic Reactions Governing Diffusionless Transformations and Reversibility in Shape Memory Alloys

OSMAN ADIGUZEL

Firat University TURKEY

SESSION ADJOURNMENT...
